DESIGNERS AND MANUFACTURERS OF

Irrigation Control Systems

Do **NOT** plug this USB adaptor into the computer until you have installed the driver contained on the GTI V3.xx software CD.

This USB serial Port Adaptor (GTI-USB-SPA) has been tested for use with your GTI System and it is not recommended to use alternatives.

Driver installation

1. Turn on the computer on which the GTI software will be used
2. **DO NOT** plug the USB adaptor into the computer
3. Navigate to the **Prolific** folder on the GTI software CD
4. Double click the application file (.exe)
5. Follow the onscreen instructions

Hardware installation

1. Make sure the driver installation has been completed first
2. Plug the USB adaptor into an available USB port on the computer
3. Windows will automatically detect the USB adaptor and install the driver
4. Once the installation is complete, the serial port will be ready for use
